

The diagram shows a page layout with three nested rectangular borders. The outermost border is red, the middle one is blue, and the innermost one is black. Three arrows point from the left towards these borders: a black arrow to the red border, a red arrow to the blue border, and a blue arrow to the black border. Each arrow is accompanied by a text label.

**Format brutto**  
– z 2-milimetrowym spadem

**Format netto**  
– po obcięciu

**Margines**  
– ważne elementy  
nie powinny przekroczyć tej linii
